

# **Holy Trinity Outreach Support for St Salvador's**

## **Food Cupboard Ministry**

The congregation of Holy Trinity provides support to this important initiative run by St Salvador's Dundee in providing practical gifts of food to some of Dundee's most needy individuals/families. The support at St Salvador's provides food bags for some 75-80 people and also provides soup, home baking, pies, fruit and hot drinks for those who drop in for food parcels. Unlike the main stream Trussell Trust food banks, who provide three crisis food parcels, the Food Cupboard regularly provides food aid to specific people.

The Food Cupboard Ministry was commented on favourably by a Scottish Government report published December 2013.

Quotes from the report:

"Many of the people who use the drop in ....would never have the capacity to go and collect anything. "

".. a safe place and a listening ear, people are shown respect, the sense of companionship, the friendliness is amazing "

Holy Trinity supports to the Food Cupboard Ministry on a regular basis.
