Data Protection

As you may know new Data Protection legislation is coming in to force at the end of May. To comply with this the Vestry will be issuing, in due course, the appropriate forms etc. for the congregation to fill in and return. It is essential that every member of the church does so in order that we, as an organisation, are compliant. The Vestry look forward to your cooperation in this matter

Church Gardens:

Our church 'Prayer Garden' is nearing completion. An Arbour will be erected soon at the far end of the Celtic Cross. We still need two benches to be placed at either side of the Cross. This is an opportunity for anyone who would like to donate a bench in memory of someone. If you would like more information about what is required then speak with Rev Kenneth at your earliest convenience.
